Description : **Job Title: Analyst Function: Consulting Location: Hyderabad/Mumbai/Bengaluru/Gurgaon, India** What we do We invent the unimagined. We build something great, then strive to make it even better. We help lead others—our team members, collaborators, and clients—to greatness. And above all, we work to understand each client's ambitions and help them get there. We do this as a team of more than 30,000 professionals working in services designed to change the future of cities, of work, of mobility, of business, of everything. In fact, our professionals serve more than 20 different industry sectors and multiple levels of government. Broadly speaking, our consulting work is segmented into three competencies—talent & organization performance, strategy and operations, and technology. How do we do it differently We look for people who look at the world differently, the ones with a keen ability to see opportunities where others don't and then implement the right solutions to seize on those opportunities. We call it "looking again." It's kind of our superpower. Our impact as a place to work What we do for our clients, we strive to do for our own people: make an impact that matters. We are regularly recognized as a top employer across a range of categories, including inclusion, well-being, innovation, leadership, and places to start your career. To learn more, check out our latest accolades. How you'll grow At Deloitte, we've invested a great deal to create a rich environment in which our professionals can grow. We want all our people to develop in their own way, playing to their own strengths as they hone their leadership skills. And, as a part of our efforts, we provide our professionals with a variety of learning and networking opportunities— including exposure to leaders, sponsors, coaches, and challenging assignments—to help accelerate their careers along the way. No two people learn in the same way. So, we provide a range of resources including live classrooms, team-based learning, and eLearning.
