â— **Passion to build a world-class ed-tech product**

About Company
Testbook.com is one of the leading online learning platforms, currently focussed on Engineering and Government Job Exams and with an eye to capture JEE, Medical, UPSC and international exams.
Testbook believes technology and data science will play a pivotal role in new age learning.

We, as an EdTech platform, help students all across the country to learn, practice, analyse their performance, know their weaknesses/strengths and take better actions towards their exam preparation. The fastest rising startup in the EdTech space, Testbook is poised to revolutionize the industry.
With a registered user base of over 90+ lakh students, 300+ crore questions solved on the WebApp and a knockout Android App, Testbook has raced to the front and is ideally placed to capture bigger markets.
Testbook is the perfect incubator for talent. You come, you learn, you conquer. You train under the best mentors and become an expert in your field in your own right. That being said, the flexibility in the projects you choose, how and when you work on them, what you want to add to them is respected in this startup. You are the sole master of your work. The IIT pedigree of the co-founders has attracted some of the brightest minds in the country to Testbook. A team that is quickly swelling in ranks, it now stands at 200+ in-house employees and hundreds of remote interns and freelancers.
