Tentative Job Location :	Gurgaon

Who we are : At a time when consumers are connected and empowered like never before, Sprinklr is helping the world's largest brands provide amazing experiences at every turn. Sprinklr offers a set of powerful social capabilities that allow our clients to reach, engage, and listen to customers across 24 social channels. We empower entire organizations to work together Ð across social, marketing, advertising, research, and customer care Ð to manage customer experience at scale. Most exciting, Sprinklr works with 50% of the Fortune 500 and nine of the world's 10 most valued brands, including McDonald's, Nestle, Nike, P&G, Shell, Samsung, and Visa.

At Sprinklr, we're customer-obsessed, treat one another like family, and take extreme pride in who we are and what we're building Ð it is core to who we are as a company.

What you will do:

- Develop highly scalable classifiers and tools leveraging machine learning and Natural Language Processing or Computer vision
- Work as part of the product team to implement algorithms that scale on billions of text Messages
- Be responsible for measuring and optimizing the quality of your algorithms and Models

What makes you qualified?

- Degree in Computer Science or a related quantitative field of relevant experience
- At least one internship on Machine learning or Data science
- Multiple projects depicting at least a rudimentary understanding of ML and data science Techniques

Description :
- Experience with Python3

Why you will love Sprinklr- We offer a flexible work environment, unlimited vacation, and

generous pay and benefits packages. While we have some amazing perks, at the end of the day,Sprinklrites are here for the opportunity to grow, learn, and affect the industry with incredible ingenuity.

- We focus on our mission: We believe social technology is the future of customer-brand relations across all departments, and we seek to make each of those experiences excellent at every touchpoint. This is how we all make the world more social together
- We invest in our people - Sprinklrites passionately, genuinely care about seeing one another succeed in making an impact on the industry. We pride ourselves on

having an honest, open environment and a supportive culture where we can take risks together

- We believe in our product - Sprinklr is the most complete enterprise social technology in the world, and we're not just saying that Forrester Wave said it for us! As such, we have many of the world's largest brands as our clients, and our employees have the opportunity to work closely alongside them
