Company :	**Wipro**
Company Name :	**Wipro**
Nature Of Business :	**IT**
Designation :	**Project Engineer**
Tentative Job Location :	Anywhere across India

A fast track technology leadership program, specially crafted to identify and groom high caliber students with the potential to become FUTURE LEADERS. STAR hires are groomed for higher responsibilities to lead the next spurt of growth at Wipro. STAR Hiring is our Premier Hiring program which focus on to nurture future technology leaders on fast track mode with focused mentorship.

The Fast-track Development Program is planned with multifaceted training interventions, domain exposure in challenging projects, exposure to new edge technologies, while being guided and supported by mentors. This accelerated development program truly transforms new recruits, giving them the hands-on experience and confidence they need to take on the responsibilities of a future leader much earlier than their peers do.

As an engineer your overall focus is on addressing customer requirements on time by following best in class Wipro processes and adopting right technology advances. You could work on enhancements to existing products as well as new product development. This requires an individual to be creative, a quick learner and driven to produce results
